

REMARKS

Claims 14-21 are pending. Claims 1-13 are canceled without prejudice or disclaimer. Applicants reserve the right to file a continuing application as a vehicle for subject matter of any canceled claim.

Applicants have added claims 14-21. All of the claims are supported by the original specification, for example, at pages 4, 5, 8, 19, 22-23, and 25-26. Because the foregoing revisions introduce no new matter, Applicants request that the PTO enter this amendment prior to examination.

Applicants believe that the application is in condition for allowance. Favorable consideration of the application as amended is respectfully requested.

The Examiner is invited to contact the undersigned by telephone, if it is felt that a telephone interview would advance the prosecution of the present application.

Respectfully submitted,

Date 13 June 2005
